COURSE DETAILS

COURSE PROFILE

The 3 mile course will start by going through the beautiful Longview Arboretum & Nature Center then connect to the Grace Creek MTB Trail, finishing back through the Arboretum. Participants doing distances longer than a 5K will run the loop multiple times. This course will slightly vary for each race season.

The course starts out on an open, wide and paved trail but quickly narrows down to a small dirt single-track track with rocks and roots. It gets technical while on the trail, be prepared!

IMPORTANT

CUPLESS RACE/CARRYING

To reduce waste out on the trails and in general we follow the cupless race protocol. This means that we will not serve any cups at aid stations for drinks. Please bring your own water carrying system with at least 16 oz.
